**WISCONSIN
May 2022 KT Magazine Article**

Greetings Sir Knights! I hope your Spring has had a positive start and you are all ready to get into the Lawn mowing pattern for the year. Last month was a bit of a problem for me as I am dealing with the complications that accompany Stage 4 Liver Disease. This month will see a lot of visits and tests and Lab work, but I am hoping to be getting back to at least the majority of my work. And I want to thank all of you for your cards and letters and emails of support.

Well, we have seen some significant changes in our Grand Encampment, and we saw our Grand Commandery Dais Officers doing an excellent job of representing our state and Grand Commandery. My best to the new Most Excellent Grand Master of Knights Templar in the USA, SK David Joseph Kussman. May this Triennial get us back on track and growing.

Next month (June) is our 164th Annual Grand Conclave, on Saturday June 18th, 2022, at 8 am, at Lake Masonic Center in Milwaukie, WI. You should have already received the Grand Conclave Call letter at your Commandery along with General Order No. 10 for the same event. You will need to register online at our website: gcktwis.org and you will be able to get more complete information on that website. I hope to see as many of you there as can attend! I am looking forward to seeing all of you and your Ladies. This has been an active and successful year for Wisconsin and that is due mainly to the outstanding work of our Grand Commandery Line Officers. I especially need to thank PGC Charles "Mick" Olson, Grand Captain General Shawn Noble, Grand Sword Bearer SK Bradley Bingheim and of course my Very Eminent Deputy Grand Commander SK Kristoffer Pillar. And I want to thank you all for supporting me this year!

May the Lord watch over you and yours and may his blessings and grace be upon all those in harm's way in the Ukraine and upon our military personnel, our veterans, our Law Enforcement, Firefighters and First Responders and upon all Knights Templar where so ever dispersed across the face of the Earth. Amen... Forging Onward!

Courteously yours;
SK Clinton H. Cagle, KCT
