Goal: 100% KTEF Life Membership in California.

by Sir Knight Craig L. Flagtwet

I am happy to report that our Great State has received a total of five Eye Foundation grants to researchers in California. Our Knights Templar Eye Foundation contributions are being put to work in our local area providing valuable advancements in the work to prevent and cure childhood Eye disorders and blindness.

Sir Knights, please consider today making a \$30.00 contribution to the Knights Templar Eye Foundation. This will gain you a lifetime sponsorship and exempt your commandery from the \$1.00 assessment on your membership. In addition, the funds will be put to work in our great charity. Let us strive to reach a 100 percent Life Membership status for all Sir Knights in the State of California.

Several States have already reached this status with the Eye Foundation and are now working on 2 times and in some cases 3 times Life Sponsorship status. I know myself and many of the Sir Knights in California are somewhat competitive. I am now putting out the Call. Sir Knights if you are able, please make a \$30.00 donation to the Eye Foundation.

This will let us stand among the many Sir Knights that have reached this status and to make a meaningful impact on our Charity.

Sir Knight John Bickerstaff, KTCH, our *Grand Standard Bearer* has assumed the Role of Chairmen of the Knights Templar Eye Foundation Committee for the Grand Commandery of California. He and Sir Knight David Studley, REPGC have made the presentations and are happy to provide information and literature to support all your needs in support of the Knights Templar Eye Foundation.

I have included in this message the form to allow you to make an easy task of making your life sponsorship contribution. Please make sure to include the form and fill out the information naming your State, commandery, and number so they receive credit and assessment exception because of your contribution.

You will know them by their works,

Craig L. Ragtvet
