Sir Knights,

I am writing this message as I assume the duties of Grand Commander. Our web site and Red Book are undergoing editing and a little larger print as well.

Our Grand Line Officers are ready and able. Our Division Officers are well-rehearsed on their duties, and are ready to help any Commandery that asks for assistance. The Grand Commandery Web site will have Training guides for the Recorder and Treasurer.

May the glory and love of the Grand Architect of the Universe always be ever present, and his blessings follow your footsteps.

In Knightly Service,  
S.K. Richard J. Phillips,  
Right Eminent Grand Commander
