richardphillips@roadrunner.com

Greetings Sir Knights all.

The start of our inspection season for Commandery has started! As I stated in the September newsletter, If you can, pitch in to help with an Order being given by your Commandery. Maybe learn a Charge or help with the meal or props and regalia. Many hands make light work!

The Zoom meeting that was held on September 20th to explain and demonstrate how data on MMS and the York Rite Database can be uploaded and downloaded. These Databases are used by our Recorders in our Commanderies. If your Recorder missed this session, we are working on a copy that can be sent out to the recorders, we hope to place it on the Grand Commandery Web Site in the near future.

Commanderies that may want to run more than one Candidate on their Inspection must get a dispensation from Grand Commandery signed off 30 days before the Inspection Date. Please send the request to the Grand Recorder; S.K. Steven E. Gibbons.

Congratulations to Sir Knight Ken Caldwell REPGC who was selected as the North East Department Commander. In Knightly Service,

S.K. Richard J. Phillips, REGC of Maine
