

Grand Commandery of Knights Templar of the State of West Virginia

April 2024

Fraternal greetings to all sir knights and ladies;

We're finally getting to see spring and all the new life she brings. I hope everyone of you had an enjoyable Easter and attended the church of your choice.

The days are winding down to the 150th annual conclave of the grand commandery. I strongly encourage all sir knights to attend this special conclave. We'll never see 150th again.

We have several things planned to celebrate the 150th conclave.

There are still plaques commemorating the 150th conclave. These are \$150 each. The proceeds will be turned over to the grand commandery to establish an endowment fund to help offset the cost of running the grand commandery. You may obtain one by calling myself or PGC Steve Wilson. They will also be available at the registration table during conclave.

Some of the women are planning a bake sale in the hospitality room and a silent auction for the Holy Land Pilgrimage. If any of the ladies would like to donate baked goods for the sale, it will be greatly appreciated.

It is my understanding, that only homemade goods will be in the bake sale.

Until next month sir knights: May the blessing of Heaven be upon you.

Charles R. "Sam" Krafft

Right Eminent Grand Commander
