Greetings, Sir Knights

A couple of reminders of upcoming deadlines that you need to be aware of: 1.) Any proposed legislation must be submitted 90 days before Grand Sessions. That means that those proposals must be in to the office by mid-June as our Grand Sessions will be held September 16, 17 and 18 this year.

There are two proposals submitted in Commandery to date. One is to make another change to the uniform regulations, the second is to require payment of the \$30 KTEF life membership fee for any new members (including dual members.) After several years of hard work, we, as a Grand Commandery, achieved the remarkable feat of becoming a 100 percent Grand Commandery a few months ago, but we're already 50 or 60 behind again. This proposal would make sure that never happens again. The Chapter has proposed to increase Assessments by \$4.00 again this year. We will have to use some of the accumulated interest from our Permanent Fund to meet our expenses again this year.

Companions, as usual, if the Grand York Rite office can be of any assistance, call me. My goal is to make the office function for the best of the craft and to help every Companion who requests our assistance.

Until next time, God Bless You All,

Fraternally,

Randall Partin, Grand Secretary/Recorder
