Meet the Grand Sword Bearer

Sir Knights:

In this article I thought I would take the time to tell you a little about my personal background and save the boring Masonic pedigree for another.

I was raised on a small farm in rural Augusta, where I attended school and graduated in 1998. After high school I enlisted in the United States Marine Corps and served five years as a mechanic from 1998-2003 attaining the rank of Sergeant at the end of my enlistment. In the Spring of 2004, I started my career with the City of Eau Claire, first as a seasonal laborer with the Parks and Recreation working three years in Lakeview Cemetery and one for the forestry Department. In 2008 I took a position as a Full-time Bus Operator and have been employed as such ever since.

I have two adult sons, one of which works on the family farm and the other is in his second year attending college at UW Eau Claire. I currently live in Stanley Wisconsin with my Lady Jenny and our chocolate lab Teddy.

A safe and happy Halloween to you, and your family.

Courteously,

Joshua T Sudbrink

Grand Sword Bearer
