Commander Editor: Virginia Supplement gc@vatemplars.org editor@vatemplars.org

Dear Sir Knights and Reader,

We at the Grand Commandery of Knights Templar of Virginia, have reached our first year in our Information Technology (IT) and Public Relations (PR) optimization. We wish to thank you all who have helped us complete the total overhaul of our website and social media platforms. With your help, we have created a more engaging and secure digital environment for our Grand Commandery. Moving into the chivalric year of 2024 to 2025, we plan on continuing to adjust and to adapt each platform as needed, to continue their growth and engagement. We will be working closely with our IT and PR committee to make sure they are meeting the expectations of our Grand Commandery, Grand Line Officers, and all our Sir Knights, for the chivalric year of 2024 to 2025. The goals of the IT and PR committee are as follows:

- To make all platforms comply with any changes to our Constitution and Statutes.
 - As well as the Grand Encampment and Grand Lodge of Virginia as needed.
- To strongly promote and inform Sir Knights about the E-Commerce store and donation capabilities of the website as it grows and becomes further implemented.
- To continue to analyze the digital environment and its ever-changing landscape for adaptation necessities.

- Work with the Grand Recorder and Treasurer to help with further integration and adoption of procedures for fluid transactions between reception of funds, deposits, and/or transfers as necessary.
- To maintain effective communication with our Grand Line Officers and Sir Knights in order to discuss how they view what has been created, implemented, and approved upon during the past year.
 - To be available as a conduit for any major changes needed, or to discuss constructive suggestions which merit consideration.

I want to thank you for taking the time to read this insert. Travel safely and continue to be the best Sir Knight, Mason, Man, and Individual in the room at all times.
