Sir Knights—

Christmastime again and what a wonderful time of year it is! I know a lot of us are thinking about gifts and who to buy what for. Remember especially at this time of the year the best gift you can give someone is time. Take time out of your day make them feel valued. We never know what another person is going through in their life just as they don't know what is going on in ours. It doesn't cost a penny to stop and lend an ear to someone who needs to talk. We don't have to have answers for them just the time to listen.

My Wish for you this Christmas Season is that you are surrounded by loved ones that let you know you are valued. As for me, Sir Knights, I value each and every one of you. I never dreamed how great an honor it would be to be called a Sir Knight with so many great men such as yourselves. Merry Christmas to you all and may the New Year bring you bright new possibilities.

And remember if you find yourself in a spot that you need to talk I am here for you. Don't forget we are looking for people to form a statewide drill team. Please contact SK John Vivian and let him know you are interested.

And last but not least be well and God Bless you.

Sincerely and fraternally,

**SK Barron J. White, REGC
