Doré Exploration

In 1866, the French artist Paul Gustave Louis Christophe Doré created 241 dramatic and influential woodcuts for the two-volume French edition of the Holy Scriptures, La Grande Bible de Tours. Over the next year, we will explore the wood carvings of the Passion of the Christ, analyzing both the corresponding verses and Doré's artistic interpretation. To learn more about this series, read our Blog article: [Doré wood cuttings](#)

So then the Lord Jesus, after he had spoken to them, was taken up into heaven and sat down at the right hand of God.

-Mark 16:19

What does the Ascension truly mean for us today? Far beyond a return to glory, it is the ultimate triumph of Christ's mission—a victory that reorders Heaven, redeems humanity, and transforms the very cosmos. Explore how Jesus hallowed Heaven, conquered all powers, and left no corner of creation untouched by His love. Read [*The Hallowing of Heaven \(Doré Exploration #8\)*](#) to uncover the profound wonder of the Ascension and its eternal significance for Knights Templar and all who follow the risen King.
